**7th May**

Labour Day public holiday

**15-17th May**

NAPLAN Testing

## Our Stats:

- 6 enrolled students
- 4 girls and 2 boys
- 3 families

## School ANZAC Day Service

This morning, Ubobo State School hosted a school ANZAC Day commemorative service. The service was led by Thomas (Ubobo SS) and Brayden (Builyan SS), with Mr Darren Marshall as our guest speaker from the Calliope Branch of the RSL.

It was a lovely service, complete with a poem read by Clayton (Nagoorin SS) and Sophie (Ubobo SS), and wreath laying from each school. Many thanks to Builyan State School and Nagoorin State School for coming along and adding to the service.

## Instrumental Music

The Ubobo State School Instrumental Music Program is continuing particularly well after commencing mid Term 1. The school has been fortunate enough to receive the support of our State Member, Mr Colin Boyce, with a donation of three new keyboards and stands. The keys on these keyboards light up when depressed which is particularly handy for our eLearning teacher! With use of an iPad, our lesson delivery is improving also, and we continue to work with Education Queensland to improve our satellite internet speed. Our students are loving the lessons and improving each week!

Our School Rules: Be Safe, Be Responsible, Be Respectful, Be a Learner

## School Cross Country

We had a fantastic morning, with 100% participation!! Everyone gave their all and put on a great show for the spectators. Our Cross Country was run on Discovery Centre and school grounds. We thank the Boyne Valley Community Discovery Centre for the use of their facilities. With the recent rain, students had a great track.

Congratulations to all students on a mighty effort. Our 5-8 year olds had a quick 500 metre track, our 9s ran 1000 metres, 10s stepped up for 2000 metres, and our 11s and 12s pushed hard for 3000 metres. We congratulate Thomas and Sophie on their selection into our Boyne Valley-Bororen team, to compete at the Port Curtis trials on the 27th April. Keep training hard!

## Awards!

Congratulations to our awardees:

Thomas Manttan - Be Responsible

Sophie Manttan - Be a Learner

Lydia Williams - Be Responsible

## Elders Country Music Campout

What a most successful Campout this year! Nearly 100 additional campsites sold from the 2017 Campout. To accommodate, Ubobo State School created camping grounds on the school oval, and easily fit fifty sites, plus carparking for day-trippers. We created a map with roads and marked sites on the school oval, and jazzed it all up with street signs. Our roads were Teacher Terrace, Principal Parade, Student Street and P&C Passage. The camping was a great sight to see.

## Eyes Open Social Media

What a great day we had with our friends from Builyan State School, as we came together to learn about all things regarding cyber safety. Trish from Eyes Open Social Media was busy all day presenting to our students, parents and staff. We learnt about inappropriate material, digital footprint, identity theft, bullying, and predators, with an aim to reduce the risks and dangers when engaging in different social media, online gaming, and public sharing sites.

It was fantastic to hear the steps many of our families have already pre-emptively taken to guard their children from dangers. With the support of Eyes Open Social Media, our schools will continue to share tips and advice to better manage our students' engagement in such websites.
