Under the agreement for 2015
Ubobo State School will receive

$7,880*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- 100% of students in Year 3 and Year 5 meet the National Minimum Standards in Literacy and Numeracy
- 50% of students in Year 3 and Year 5 will achieve the Upper Two Bands in Literacy and Numeracy.
- Increase the percentage of students receiving a C or better in English from 76% (2014) to 85% (2015) across all year levels.

Our strategy will be to

- Provide focused and intensive teaching for students to demonstrate achievement against the year-level achievement standards
- Increase teachers' repertoire of effective strategies for teaching text processing and comprehension across learning areas
- Develop collaborative data inquiry processes (to build teachers' ability to interpret data, identify and scale-up effective teaching practices and differentiate better to include Upper Two Bands)

Our school will improve student outcomes by

- Purchase additional teacher time to work with the Principal on data collection and analysis, to target students for small group learning, to target teaching practice and differentiating, and to enable professional development on Writing, Reading, and Data Analysis.
